

Protecting What Is Priceless

Group Additional Life Insurance From The Standard

The time you spend with your family is priceless and you wouldn't trade it for anything. But what would happen if you suddenly died? Could your family live without your income? Would your family be able to cover the medical expenses associated with a terminal illness or with burial and funeral expenses?

Your employer provides a basic amount of Life insurance to help protect your loved ones in the event of your death. Since everyone's needs are different, your employer is also providing you with the opportunity to apply for Additional Life insurance from Standard Insurance Company – a simple, easy way to further help protect your family. It allows you to apply for the extra coverage you need, with premiums deducted directly from your paycheck.

With Additional Life insurance from The Standard, you can help protect what is priceless with coverage that offers peace of mind to surviving family members as they adjust to a new life.

Use the worksheet on the reverse to guide you in calculating the amount of group voluntary term life insurance coverage you may need.

Life Insurance Needs Calculator

Each family has a unique set of circumstances and financial demands. To help you figure out the amount of Additional Life Insurance you may need to protect your loved ones, The Standard has created a Life Insurance Needs Calculator. Use the worksheet below or access our online Life Insurance Needs Calculator at: <http://www.standard.com/lifeneeds>. Or, use the QR code to the right with your mobile device.

Step 1: Income Needs		
Estimate the income you will need to replace if you or your partner passed away.	You	Spouse/Partner
Annual Income	\$	\$
Other Income	\$	\$
Years Needed Number of years your beneficiaries would need the income support		
Total Income Needs	\$	\$

Step 2: Major Expenses		
Estimate the major expenses you may leave behind or want to plan ahead for.	You	Spouse/Partner
Final Expenses To cover your final medical expenses, funeral and burial, a typical estimate is \$15,000 or 4% of your estate. ¹ A traditional funeral averages \$6,000 but may cost much more. ²	\$	\$
Mortgage Balance	\$	\$
Loans and Debt Include credit card debt, car loans, home equity loans, etc.		
College Savings Estimate the amount each partner's income would contribute towards education funds. Average "total" annual cost of college ranges from about \$17,000 for a public in-state college to \$38,000 for a private college. ³		
Total Major Expenses	\$	\$

Step 3: Assets		
Estimate the value of your assets.	You	Spouse/Partner
Savings and Investments Include real estate, retirement plans, investments or inheritance.	\$	\$
Existing Life Insurance Include any existing insurance plans/benefits outside this plan.	\$	\$
Total Available Assets	\$	\$

Step 4: Estimated Life Insurance Needed		
	You	Spouse/Partner
Add your Total Replacement Income Needed and Total Major Expenses. Then subtract your Total Resources to get your personal estimate.	\$	\$

This calculator is only intended to provide a general estimate of your family's potential income needs and should not be considered financial advice. For a more accurate and detailed analysis, please consult with a professional financial planner.
