

ThriveOn, Beat the Flu!

According to the Centers for Disease Control and Prevention (CDC), one of the best ways to prevent the flu is by getting vaccinated every year.

Where to get your flu shot:

#1—Schedule your free flu shot at work.

To schedule and find a listing of available locations and appointments, check out: bewell.franklincountyohio.gov

#2—Visit your network doctor or other health care professional.

Covered at 100% if not scheduled as an office visit.

#3—Visit a network pharmacy in the Optum Rx network.

Show your Optum Rx card prior to getting your shot.

#4—Visit a UHC network Convenience Care Clinic.

Show your UHC card prior to getting your shot.
