

# Get a second opinion, for more peace of mind.

Making decisions about your health can be stressful, whether you're trying to choose between treatment options or understand a diagnosis. We've contracted with 2nd.MD to connect you with leading physicians who can give you trusted information — to help put your mind at ease. All consultations are confidential in accordance with the law and provided at no additional cost to you in just a few days.

## Personalized support from top-notch doctors

2nd.MD physicians come from top medical institutions, covering more than 120 subspecialties and thousands of conditions, including:

- Cancer
- Chronic joint and back pain
- Digestive problems
- Women's health issues
- Heart disease and stroke
- Immunological disorders
- Knee, hip and ankle surgery
- Mental health issues
- Neurological conditions
- Pediatric genetic disorders

The second opinion service is made available through a third-party vendor, 2nd.MD. The information provided through the second opinion service does not constitute medical advice and does not diagnose, treat or prescribe treatment of medical conditions. All information provided in connection with the second opinion service is for informational purposes only, and does not create a physician-patient treatment relationship. Information provided through the second opinion service does not substitute medical diagnosis or treatment from your treating physician, and you should discuss the information provided by the second opinion service with your treating physician before making any decisions.
