

CancerBridge Virtual Health Fair

May 6, 2025 from 9:00AM to Noon

Join CancerBridge for this innovative virtual health fair, focused on healthy living, wellness education and cancer prevention! This exciting half-day will include expert-led mini-sessions, interactive question-and-answer opportunities, and easy-to-use resources to empower your health journey. The session is free to CancerBridge covered lives and their immediate family members, but advance registration is required. Register below to connect with healthcare professionals to learn about early detection and explore holistic wellness strategies.

Our knowledge is your power!
