## How it works

1

### Book an appointment

Go to [DispatchHealth.com](https://DispatchHealth.com) or call 866-970-9287. You'll answer a few questions about how you're feeling to make sure it's safe to treat you at home.

2

### Get care at home

DispatchHealth's credentialed medical professionals will come to your house. They'll bring any needed equipment with them. Remote support from an emergency medicine doctor is just a call away.

3

### DispatchHealth handles the rest

After the visit, DispatchHealth takes care of everything for you. This includes calling in your prescriptions, updating your doctor, and handling billing with United Healthcare.\*
