ThriveOn Meal Kit Cooking Experience – Registration Instructions

Step 1: Click the yellow 'Add to Delivery' button.

Step 2: Click 'Delivery' and enter your address. There is a specific delivery zone – if you are within the delivery zone a message will pop up confirming that they deliver to your area. If you are outside the deliver zone, you can choose to have your box mailed to your work location instead. Note: deliveries will be made on Wednesday or Thursday the week of the demo and can be delivered as late as 6pm. I

Step 3: Select 'Home Delivery' from the options and click OK. You should now see the meal kit displaying in the deliveries section on the right side of your browser. Enter the discount code and click 'APPLY'. If done correctly your total should be \$0.
